Pre-E	nrolment Pro	cedure	
No.	Person/s Responsible	Steps to take	
1	Student Services Trainer/ Assessor	 (1) As part of the pre-enrolment assessment, students are required to go through an initial pre-enrolment interview with one of Melvic College Australia's trainers and assessors*. This pre-enrolment interview will be done via online platforms such as Zoom and Microsoft Teams, where they will be assessed for: a. oral communication skills b. eligibility for RPL or credit recognition c. needs for additional support d. computer skills 	
		*This part of the process will only be done by Melvic College Australia's trainers and assessors to ensure that the students' computer skills are assessed thoroughly, and students are at a level required by the courses, or further support will be recommended.	
		(2) Document the student responses and your initial findings.	
		 LLN Assessment Where the learner has prior learning and/or professional experience that demonstrate his/her learning, literacy and numeracy skills to be sufficient for the intended course: document findings and reasons in the Pre-Enrolment Assessment Form advise the learner to inform his/her trainer should he/she require LLN support at any point within the duration of the course, in which case, refer to Error! Reference source not found. Policy and Procedure for more details. defer LLN assessment 	
2	Student Services	(2) Where the learner does not have any relevant prior learning and/or professional experience: a. Ask the learner if he/she foresees any potential challenges related to learning, literacy and numeracy 1. If learner answers yes, send the learner the LLN assessment. Explain to the learner: i. that the LLN assessment is used to determine the level of LLN support required by the student ii. that students will not be recommended to proceed with the course if they do not meet the minimum LLN skills required to undertake the course iii. that students who are unable to complete the course due to LLN issues will not be given a refund if they proceed with the course against recommendation 2. If the learner answers no:	

- explain to the learner that he/she may waive the LLN assessment,
- ii. if at any point during the course he/she requires LLN support, the learner must inform his/her trainer to receive support available,
- iii. if the learner is unable to complete the course due to LLN issues, no refund will be given if student has deferred LLN assessment

NOTE: refund may be given to students who are unable to undertake the course due to LLN challenges not identified by Melvic College Australia, unless student decides to enrol against the RTO's recommendation.
